

Yearbooks

October 7, 2020

Dear Parents/Guardians of Nicholas Ferri Middle School students,

My name is Kevin Dolan and I am your school's Yearbook Representative. During the production of the 2020 yearbook, there were 8th grade students that were unknowingly omitted from the portrait section of the yearbook. We are in the process of correcting the issue and reprinting the yearbooks. If you have already received a yearbook, please be prepared to return it for a replacement.

We are doing everything we can to expedite this process and the school will contact you when replacement yearbooks are available.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kevin Dolan".
